Aim of Conference:

To give students a chance to present their papers in the field of mechatronic engineering systems. The conference will be organized on ***hybrid form*** *for wider accessibility and internationalization.*

This is the 15th year from starting the Mechatronic Course at the Bánki Donát Faculty of Óbuda University in English language. Through these 15 years a talented international student-team evolved, composed of students from most diverse nations. During the conference a "video-bridge" will be built between the foreign universities and the hosting university.

General Program:

1. ***Opening session****: introduction of special guests-sponsors and guest lectures.*
2. *The* ***students present*** *their papers in 10-15 minutes +5 minutes discussion.*

Approximately, after each 4-5th presentation a ***coffee break*** *will be held for refreshing.*
